ENJOYING

CONFERENCE CENTER

Seminars and meetings

The modern Conference Centre boasts professional facilities for conferences, meetings, seminars and workshops. The conference area offers glorious panoramic views of the museum, lake and mountains. The conference and seminar rooms can accommodate a variety of seating arrangements and can also be linked.

MUSEUM AND ARENA

Events and festivities

Organise an unforgettable event in Switzerland's most visited museum. A party amid the ambience of the traffic and mobility theme park promises unforgettable memories. The museum halls and open-air arena can be booked outside museum opening hours.

FILM AND SHOWS

Performances and presentations

The Filmtheatre cinema boasting the largest screen in Switzerland and the country's most famous giant-dome planetarium offer the perfect setting for your event. If you want, we can screen fascinating documentary films that take you on a journey into unknown worlds and the infinite vastness of the universe.

GASTRONOMY

Cuisine and catering

Together with our gastronomy partner ZFV we transform your event into a culinary experience. Welcome coffees, stand-up lunches, aperitifs, gala dinners – a wealth of possibilities at the Swiss Museum of Transport. Also on site is the Mercato self-service restaurant, Café Bar, the Filmtheatre Lounge and the Brasserie with at-seat waiter service.
